

 test.Rmd ✕☐ Knit on Save Knit Run ▼

A screenshot of the RStudio interface. The left pane shows a text editor with R Markdown code: 

```
1 ---  
2 title: "Test  
3 output: pdf_d  
4 ---  
5  
6 ```{r setup,  
7 knitr::opts_c  
8 ```  
9  
10 # Testing your markdown installation
```

 The right pane shows the 'Knit' menu, which includes options: 'Knit to HTML' (with a globe icon), 'Knit to PDF' (with a PDF icon), 'Knit to Word' (with a Word icon), 'Knit with Parameters...', 'Knit Directory', and 'Clear Knitr Cache...' (with a broom icon).
